Permit: # 18-

Dear Property Owner:

I am writing to notify you that I have applied to The Village of Gates Mills for a permit to cull deer, by bow and arrow only, from my property. If a permit is issued, the culling will occur between September 29, 2018 and February 3, 2019. The guidelines established by the Gates Mills Safety Committee and the Deer Management Ordinance require that any landowner applying for such a permit must notify all adjoining property owners of the intent to cull deer. All deer cullers will be licensed hunters approved and selected by the Gates Mills Police Department. Under no circumstances will firearms be used by the cullers.

During culling activity, there is a possibility that an injured deer may travel beyond the property boundaries of the permit holder. For this reason, it is necessary that you choose one of the two options listed on the attached form, sign the form, and return it to the Gates Mills Police Department, as soon as possible.

Your cooperation is appreciated.
